

Ending hunger, empowering individuals, and growing community.

You can help DCCG plant seeds of hope and provide wholesome, fresh vegetables for those who struggle with food insecurity. DCCG grows thousands of pounds of healthy produce for DeKalb County individuals and families. DCCG also helps provide access to land and support for those who can grow their own food.

Now, you can help support the work of DCCG, and provide healthy, sustainably-grown fresh vegetables for your family at the same time, or donate a Box of Hope to a family in need.

**Become a CSA Box Member – Box of Hope.**

**How It Works:** You can subscribe for the season (20 weeks), bi-weekly, monthly, our flex plan or pay for boxes individually. (See back for pricing information.) When you become a member, you pay for the plan you choose at the beginning of the season, which helps cover start-up costs. In return you receive a beautiful and delicious box of vegetables on a regular basis. You can pick up your box at our Walnut Grove Vocational Farm site in Kirkland, a DeKalb location, or arrange to have it delivered to your home. The season will run the week of June 4th to October 19th, 20 weeks of delicious vegetables, fresh from the garden! Just fill out the form or visit our website [www.dekalbgardens.org](http://www.dekalbgardens.org) and click on the shop button. Checks can be mailed to DeKalb County Community Gardens, PO Box 348, DeKalb IL 60115. For questions call: 815-793-0950.

**Options:** See back for details.
